QUESTIONS RELATING SPECIFICALLY TO PERSONAL ACCIDENT INSURANCE***What constitutes an injury?***

The policy covers bodily injury resulting from an accident. The injury must be external and visible. It does not cover sickness.

When must a claim be reported?

To ensure the claimant (player/official) is not prejudiced, any incident which may lead to a claim should be reported as soon as possible after the event. Claim forms should be completed and sent with medical certificates in accordance with the claims procedures.

What is the excess?

Policy Sections A, B & C - The first seven days of any claim for injury and the first \$20.00 of any claim for medical expenses are not covered by the policy.

What about the gap between Medicare and actual costs?

Medical expenses do not include any or part of any expenses for which a Medicare benefit is paid or is payable including the balance of monies due or payable by the Insured Person after deduction of any

Medicare benefit or rebate from the actual expenses incurred (commonly known as the "Medicare Gap"). The reason for this is that General Insurance Companies are not permitted by law to insure benefits associated with Medicare.

What is Products Liability Insurance?

As in public liability this policy covers you for bodily injury and/or property damage claims. However the claims must arise from goods sold, serviced or manufactured by you.

What is Professional Indemnity?

This is insurance indemnifying you against claims made against you for wrongful advice or information which is provided in a professional capacity e.g. professional coaches.

What is Directors & Officers Insurance? This insurance policy will cover your directors and officers who are sued for a broad range of alleged wrongdoing including: Claims Service

- Misrepresentations
- Breach of Fiduciary Duty / Mismanagement
- Unfair Trade Practices
- Defamation
- Breach of Contract

What is Indemnity?

This term means that the insurance indemnifies (provides cover for) you against any loss or compensation for which you may be legally liable up to the amount stated in the schedule.

Who is a third party?

Members of the general public are third parties. However the policy has been extended so that the term "third party" also includes fellow committee members, registered members and like.

What is negligence?

Negligence is the failure to exercise the duty of care which we are bound to observe toward other persons. An action for negligence arises where a person suffers injury and/or damage as a consequence of a breach of that duty to take care.

What is my legal liability?

Legal liability arises where a court of law deems you have been liable in a particular circumstance. The insurance does not extend to circumstances in which you may only feel a moral obligation towards a third party.

Does this Public Liability insurance cover Employees' injury?
